Hike/Walk Route: Following a Native American Smudging Ceremony and some spoken words with music, everyone is encouraged to hike/walk around the park on the nature trail as a way to cleanse through movement and take the steps that Meredith was not able to take.

Meeks Park-Blairsville, GA: From Blairsville, proceed ½ mile west of downtown Blairsville off Highway 515. From McDonald's, go West then make the 2nd left.

*It is the hope of our hiking community that many people will strap on their boots and make a path to Meeks Park to remember Meredith Emerson and light up the mountain with the joy of life.
Children welcomed and encouraged.*
